Time: Monday and Wednesday - 1:30 PM – 2:45 PM
August 24, 2020 – December 7, 2020

Delivery Modality:

- This course will incorporate the BlendFlex model. This means that the face-to-face classroom sessions will take place on the days and times noted on the class schedule, but will also be live-streamed synchronously on Zoom video conferencing for remote student participation. **Students are expected to attend in-person and/or virtually on designated days and times as specified in the class meeting pattern.**

- Zoom video conferencing and meeting invitations are integrated in Webcourses [https://webcourses.ucf.edu/](https://webcourses.ucf.edu/).

- The lectures will be recorded and posted in Webcourses for later online viewing for students who are unable to physically or remotely attend on the class day and time.

- The class roster is divided alphabetically into two groups and students will be notified on Webcourses. The two groups will attend the class in-person on alternating class days. Group A is to attend the class in-person on Mondays and Group B on Wednesdays. The other group is to attend the class remotely but synchronously.

- All exams will be administered remotely.

- Office hours are done remotely through Zoom video conferencing. Email to setup a Zoom meeting.

- All activities are fully online after Thanksgiving - November 25th.

- Please view the 3-minute BlendFlex Delivery Model UCF Student Guide [video](https://webcourses.ucf.edu/) for an overview.
